EXPERIENCE

Tap and Spile, Hexham – Bartender

January 2020- June2021

A server and bartender. Table service due to covid regulations.

Hexham Golf Club, Hexham – Bartender-Bar Manager

June 2021 - November 2021

A high volume and high standard bar, working with club members to deliver a high standard of service. I took over as Bar Manager 6 weeks into the job which forced me to learn essential skills such as team management and cellar maintenance.

No28, Newcastle Upon Tyne – Bar Supervisor

December 2021 - July 2022

I started as a bartender but was promoted to supervisor in the second month. This included cocktail and menu creation and increased responsibilities such as stock count and cash up.

WC Newcastle, Newcastle Upon Tyne – Assistant Manager

July 2022- November 2022

WC is a small but high-paced cocktail and wine bar. It requires extensive knowledge of classic cocktails and premium wines. I increased my management experience, including leading weekend shifts while maintaining high standards, managing customer queries and complaints, organising, and working with Resdiary.

CodeAcademy courses in Javascript, HTML, and CSS

OTHER

I have been self-teaching code using online resources for a few months. I feel as though I have learned and progressed a lot in a short time and I can't wait to learn even more. The online resources I have used are Codecademy, freeCodeCamp and lots of YouTube videos.
